Rotary Global History Fellowship Feature “Why I am a Rotarian” Rosey Wong (aka Rosey S B Tan) member of Rotary Club of San Francisco #2, CA USA D5150

“I learnt about Rotary Clubs in Singapore when I first began my Travel Agent Career in 1969. In those days Rotary Clubs were for men only.

When my family & I came to San Francisco, CA, USA in 1985 I heard from my friends in Singapore that Rotary was now admitting women. I was very excited, but did not want to wait to be invited, so I called 2 Rotary Clubs - Oakland #3 & San Francisco #2 because I worked in San Francisco and lived in the Oakland Hills. This was in 1987. After 4 months my application was approved and I was officially introduced on February 2, 1988. At the same meeting I learnt about Rotary’s pledge to eradicate Polio. I am pleased to know that only four countries have Polio today. (full feature online) This feature began in January of 2006.

This year R. I. Convention in Montreal was not attended by Rosey Wong, Past Chair and Pillar of the IFTA Fellowship, due to acute Sciatica pain that forced her to stay in bed.

She is recovering well under her Chiropractor's care with only a weekly visit presently.

She is looking forward to attend the convention in New Orleans in May 2011! So, please plan to attend too as she is looking forward to see U again!
