**Dear Rotarian's ,**

Rotary Greetings from R.C of Agra Taj Mahal , D-3110( City of 1<sup>st</sup> wonder of the world "Taj Mahal"), India !!!!!.

First of all I salute all Rotarians for their commitments to serve the needy community all over the world for last 102 years in Rotary. But the unfinished business of Rotary will never finish- Hunger, Water, Health & Literacy.

I am a Rotarian for last 30 years & Past District Governor for last 8 years & got many opportunities to serve the poor community under 3H, Polio Plus and many other Rotary programs, under many senior Rotarians and specially under our dynamic leadership of PRIP Frank. J. Devlyn "**Create awareness & take action**".

During his visit to India, many times he witnessed Eye diseases here and also in the other part of developed and undeveloped countries. Ultimately he started a Avoidable Blindness Prevention Society on international basis. So you can understand how much important to give vision to poor person (Below poverty), who struggle a lot to earn for bread. So what to say about to go for any type of medical facility, so million of old people are in India and thousands of them are in and around Agra seeking operations for the Eye disease mainly for the Cataract operations.

So the **Rotary Club of Agra Taj Mahal** has decided to start an Eye Hospital and for the purpose, my **Wadhwa family has Donated a piece of land in a prime location very near (1km) from Taj Mahal & which is worth of Rs 2400000/- ( \$ 60000 , Sixty Thousand US Dollar's ) as a contribution to the Eye Hospital Project , on behalf of Rotary Club of Agra Tajmahal to Rotary Eye Hospital Agra** . This piece of land is also in a paush area and adjoining to a very big zonal park cost of Rs 18 crore (US\$ 4.5 million), by the Agra Development Authority a Govt undertaking .

For this noble cause to build a modern hospital (the work is already started), where we will undergo for **free Eye operation, 12-15 operations per day, ( app 400 Operations per month / app 5000 operations per year ) , Eye check up (OPD) 70-100 person daily and one Eye Camp Per Month to fix 100 IOL or Cataract operations ( app 1000 IOL Per Year )** for the needy and poor people ,as in Agra & nearby area's , we have **Thousand of old age Women's & Men's who are below poverty line & looking for a hope of operation through our Rotary Eye hospital .**

Hence, we seek yours kind cooperation and assistance, because I believe Rotarians always **shares**.

So I **Appeal** to assist the project in following manner, as you know Rotary Foundation does not provide the funds for land & building, ▼▼

**Any individual Rotarian , Rotary Club or District Trust or Society pays :-**

1. **US\$ 2600 ( Rs 1,00, 000 ) or more**, if any individual Rotarian, club or district, trust or society donates , his/her, Club/District trust or society name will be displayed/inlaid permanently in the **Front Entrance of Hospital wall** on a big marble slab.
2. **US\$ 650 ( Rs 25, 000 ) or more**, if any individual Rotarian, club or district, trust or society donates , his/her, Club/District trust or society name will be displayed/inlaid permanently in the **Inside of Hospital Building Wall** .
3. Total project cost is 1.55 Crores **equalant to ( US\$ 386 hundred thousands)**. Therefore your donation of any type in cash or kinds (as per Project Report enclosed herewith), will help us to complete this project.

**The clubs are requested to collect the Special Sunshine / Happy Dollor's collection stated as above will be highly appreciated.** The amount can be remitted by **Bank wire** or by **Cheque to the Rotary Club of Agra Taj Mahal** .

**We assure everybody (Donors) that our trust will provide them that where their money is spent with the detailed Statement of Accounts, means 100% transparency will be observed.**

So finally keeping in mind the above mentioned noble cause, I hope that individual Rotarians, Clubs, Districts will come forward to put a small-small contribution and thus will **“ Lend a Hand”** to this project of mankind .

**Warm Regards,**

**Yours in Rotary,**

**PHF PDG Satish Wadhwa**

**President PHF Rahul Wadhwa**

**Secretary Rishi Bansal**

**D-3110 , Agra India**
